

Cooperation Agreement
between
European Ramblers Association (ERA ERA-FERP)
and
European Youth Hostel Association (EUFED)

The European Ramblers Association (ERA-ERA-FERP) and the European Youth Hostel Federation (EUFED) conclude the following cooperation agreement:

1. Both associations cooperate closely and are represented as reciprocal partners in the respective general meeting or general assembly.
2. Both associations support the idea through their work the idea of hiking and promote the school hiking within their possibilities in teaching education and training.
3. Both associations support the cooperation of the respective national associations.
4. Both associations work closely together at European level and support each other in their respective lobbying activities.
5. Both associations offer on their website a link to the website of the other association.
6. Both associations provide appropriate information about the work of the other association within the framework of their association media.

This agreement initially applies for a period of three years from 1.10.2018 up to and including 31.12.2021. It can be terminated by both sides at the end of the term. If the agreement is not terminated, it automatically renews for another three years.
